

# Reflection

Questions to help process your mission trip experience. For personal use only.

1. How has my worldview changed as a result of this trip?
2. How can I hold onto my new vision of God and for the world?
3. How do I integrate these changes into my daily life back home?
4. How will my prayers change now that I am back home?
5. What should I say to people when they ask, "How was your trip?"
